February 20, 2015

Dear Minister Glavine;

I'm writing to you today in support of a number of constituents who are interested in having the Department of Health or the Nova Scotia Health Authority establish a dialysis unit in Barrington Passage.

There is a number of residents of Shelburne County who have to travel 100 kms or more to Yarmouth to receive this life sustaining procedure 3 time per week. This year has been especially difficult due to the weather and conditions of the roads.

The Health District currently has a large clinic in Barrington Passage that could accommodate a couple of machines. I urge you to consider this! I will be asking you this question in support of my constituents during Question Period in the Legislature when the Spring Session begins.

Yours sincerely,

Honourable Chris d'Entremont, ECNS

MLA Argyle - Barrington
